Township of Findlay

June, 2022

Dear Findlay Community Member,

Another year has passed and it is time again for our annual appeal.  As you know, the Imperial Volunteer Fire Department, which provides fire and rescue service for all of Findlay Township, depends on your financial support to continue to operate.  While we devote a significant amount of time on fundraising activities, such as the Fish Fry, we still depend on your financial support with our annual direct mailing campaign.  For us to continue to provide the level of service you have come to expect and depend on in our growing township, we need your help!

This past year has been as bewildering and stressful for us as it has for you.  With the ongoing COVID-19 epidemic, additional demands continue to be placed on the Fire Department as we strive to provide superior service while minimizing exposure to the virus.  In 2021, the Fire Department responded to 251 calls.  We are continuing to look for ways to improve our service to the Findlay Community.  Our current endeavor is to replace our Clinton Station to better serve the fast growing population in that area.

Thank you for taking the time from your busy day to consider our request. Remember that our volunteer members devote a tremendous amount of time to protect you, your family, your friends, and your property.  We are here for you 24 hours per day, 7 days per week, 365 days per year!  Please support us with your contribution today!

Sincerely,

Imperial Volunteer Fire Department

**Please help us help you!** Imagine an emergency at your place and the first responders passing by because the house number can't be read.  Please help speed our arrival by making sure your house number is clearly visible from the street.

Can we reach you via email in the future?  Please include your email address on the donation form.
